

## **Frag For Cancer – Parental Consent Form**

\*Please present this form during registration if you wish to compete in any tournaments for titles rated M (mature) by the ESRB, and are under the age of 17.

-----  
Certain titles being played during our event may have been given a mature (M) rating by the ESRB and are intended for the play by those over the age of 17. The titles may contain scenes with blood, gore and/or violence which may be disturbing to some players. With parental consent, we will allow participants under the age of 17 to play at our event.

Additionally, there may be “Natural Health Products” (Energy Drinks) on-premises. We will take precautions to limit the amount attendees consume, but cannot take responsibility for any side-effects for those who ingest more than the recommended levels, or are sensitive to the ingredients within them.

If at any time we feel that consent has been forged or manipulated we will remove the player from our event and make an attempt to contact the parent/guardian for verbal consent.

By signing below, I hereby agree to the terms above, and am responsible for the accuracy of the information given below.
